Over 430 people enjoyed The Heathlands Village Gala Dinner on January 28th at Manchester United. This was to raise much needed revenue for The Foundation Fund. John Humphrys was the Guest Speaker and following an informative and illustrious talk about his Journalistic career he took spontaneous questions from the audience.

He praised our Community's level of care to Heathland's Residents and referred to Sir Jonathan Sacks as an "inspirational man and personal friend." Celia Clyne beautifully catered the event and a new DVD was shown before an Appeal was made by President, Mr Rodney Berkeley. Daniel Hamburger was the Chairman and Hadassah Fidler introduced Mr Humphrys.

It was a great honour that Rev. Olsberg said a few passionate words during the Appeal and it was a delight that he graced the proceedings.
