

## Heathlands Residents Plant Tree for Tu B'Shevat

22<sup>nd</sup> January 2008

A tree was planted in the new Sunny Lounge at Heathlands village to celebrate Tu B'Shevat. The rabbi said a few words surrounding the history of Tu B'Shevat and a number of residents gathered around to watch the planting ceremony.

Every year a new tree is planted at Heathlands Village for Tu B'Shevat. This normally takes place in the beautiful gardens but due to the cold weather it was decided to plant a new tree to be placed in our newly refurbished sunny lounge and coffee lounge.
